2 GENERAL ORDINANCE NO. G-19-88

3 AN ORDINANCE of the Common Council of  
4 the City of Fort Wayne, Indiana,  
5 amending Chapter 31 of the Municipal  
6 Code "Water and Watercourses", by  
7 adding a new Article entitled "Water  
8 Conservation".

9 WHEREAS, from time to time climatic and other  
10 conditions, both natural and man-made, may arise or occur  
11 which will cause a temporary shortage of water;

12 WHEREAS, such conditions may affect the City of Fort  
13 Wayne's public water system's ability to provide an adequate  
14 supply of water or to maintain adequate water pressure in the  
15 delivery system; and

16 WHEREAS, in such an event it is imperative to the well  
17 being of the citizens of the City of Fort Wayne that the use  
18 of water not essential to the health, welfare and safety of  
19 the City of Fort Wayne and its citizens be restricted;

20 NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF  
21 THE CITY OF FORT WAYNE, INDIANA:

22 SECTION 1. Chapter 31 of the Municipal Code of the  
23 City of Fort Wayne, Indiana, is amended by adding a new  
24 Article III, entitled "Water Conservation", which contains the  
25 following language:

26 SEC. 31-25 - Application

27 The provisions of this Article shall apply to all persons,  
28 firms, partnerships, associations, corporations, companies  
29 or organizations of any kind connected to the City of Fort  
30 Wayne, Indiana, public water system or using water  
31 therefrom (hereinafter referred to as "users").

32 SEC. 31-26 - Declaration of Need

Upon a determination by the City of Fort Wayne's Board of  
Public Works and Safety that the City of Fort Wayne's  
public water system is in imminent danger of a shortage of  
water or is experiencing a shortage of water, the Mayor  
shall declare a water conservation emergency and establish  
the appropriate water conservation measures as set forth  
in this Article and the duration thereof.

1        SEC. 31-27 - Voluntary Conservation

2        If notice of a voluntary water conservation emergency is  
3        given in accordance with SEC. 31-31, users may be  
4        requested to reduce consumption by practicing voluntary  
5        conservation techniques. The Board of Public Works and  
6        Safety shall suggest reasonable and meaningful actions  
7        which will alleviate existing or potential water shortage.

8        SEC. 31-28 - Rationing

9        If notice of a water rationing emergency is given in  
10       accordance with SEC. 31-30, users, in addition to the  
11       mandatory conservation measures identified in shall be  
12       limited to water use in accordance with a schedule  
13       established by the Board of Public Works and Safety for  
14       residential use, business use, commercial use and industrial  
15       use.

16       In determining an appropriate schedule or schedules for the  
17       rationing of water use, the Board of Public Works and Safety  
18       shall consider the volume of water used by the user during  
19       an appropriate base period as determined by the Board of  
20       Public Works and Safety.

21       SEC. 31-29 - Exceptions

22       The Board of Public Works and Safety of the City of Fort  
23       Wayne is granted the right to establish alternative  
24       conservation or rationing requirements for the following:

- 25       (a.) Health care providers;
- 26       (b.) The reasonable use of water to maintain adequate health  
27       and sanitary standards;
- 28       (c.) Those industrial and agricultural activities declared  
29       to be necessary for the public health and well-being.

30       SEC. 31-30 - Notice

31       Notice of voluntary conservation measures shall be by  
32       whatever means deemed appropriate by the Board of Public  
33       Works and Safety. Said notice shall be effective upon  
34       publication.

35       Notice of mandatory conservation measures or rationing shall  
36       be by first-class United States mail, or by other door - to  
37       - door distribution to each current user, and by electronic  
38       and print media. Said notice shall be deemed effective at  
39       the conclusion of door - to - door distribution, or at Noon  
40       on the third (3rd) day after depositing same in the United  
41       States mail.

42       SEC. 31-31 - Enforcement

43       Any user who violates SEC. 31-28 of this Article may be  
44       punished by any or all of the following:

- 45       (a.) a fine of not more than Two Thousand Five Hundred  
46       Dollars (\$2,500.00). Each day of violation shall  
47       constitute a separate offense;
- 48       (b.) the imposition of an excess use charge as approved by  
49       the Board of Public Works and Safety, the Common  
50       Council of the City of Fort Wayne, and the Indiana  
51       Utilities Regulatory Commission;

(c.) disconnection of water service with the imposition of a reconnecting fee as approved by the Board of Public Works and Safety, the Common Council of the City of Fort Wayne, and the Indiana Utilities Commission.

SECTION 2. The Board of Public Works and Safety shall not later than three (3) weeks from the date of the passage of this ordinance by the Fort Wayne Common Council, present to the Common Council a final schedule for the imposition of excess use charges as described in Section 31-31 (b) and (c) of this ordinance.

SECTION 3. This Ordinance shall be in full force and effect from and after its passage and publication, and any and all necessary approval by the Mayor.

AN ORDINANCE of the Common Council of the City of Fort Wayne, Indiana, amending Chapter 31 of the Municipal Code "Water and Watercourses", by adding a new Article entitled "Water Conservation".

WHEREAS, from time to time climatic and other conditions, both natural and man-made, may arise or occur which will cause a temporary shortage of water;

WHEREAS, such conditions may affect the City of Fort Wayne's public water system's ability to provide an adequate supply of water or to maintain adequate water pressure in the delivery system; and

WHEREAS, in such an event it is imperative to the well being of the citizens of the City of Fort Wayne that the use of water not essential to the health, welfare and safety of the City of Fort Wayne and its citizens be restricted;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. Chapter 31 of the Municipal Code of the City of Fort Wayne, Indiana, is amended by adding a new Article III, entitled "Water Conservation", which contains the following language:

SEC. 31-25 - Application

The provisions of this Article shall apply to all persons, firms, partnerships, associations, corporations, companies or organizations of any kind connected to the City of Fort Wayne, Indiana, public water system or using water therefrom (hereinafter referred to as "users").

SEC. 31-26 - Declaration of Need

Upon a determination by the City of Fort Wayne's Board of Public Works and Safety that the City of Fort Wayne's public water system is in imminent danger of a shortage of water or is experiencing a shortage of water, the Mayor shall declare a water conservation emergency and establish the appropriate water conservation measures as set forth in this Article and the duration thereof.

SEC. 31-27 - Voluntary Conservation

If notice of a voluntary water conservation emergency is given in accordance with SEC. 31-31, users may be requested to reduce consumption by practicing voluntary conservation techniques. The Board of Public Works and Safety shall suggest reasonable and meaningful actions which will alleviate existing or potential water shortage.

SEC. 31-28 - Mandatory Conservation

If notice of a mandatory water conservation emergency is given in accordance with SEC. 31-31, users shall be prohibited from the water uses listed below, subject to reasonable terms, times and conditions as the Board of Public Works and Safety shall determine, which may include the imposition of surcharges for increased water usage over past comparable usage:

- (a.) Sprinkling, watering or irrigating of shrubbery, trees, grass, ground covers, plants, vines, gardens, vegetables, or any other vegetation, other than that done by the use of hand-held watering containers, or that necessary for the production of food, maintenance of livestock and pets, maintenance of stock by commercial nurseries, or maintenance of arboretums and public gardens of national, state or regional significance to preserve specimens.
- (b.) Washing of automobiles, trucks, trailers, mobile homes, railroad cars or any other type of mobile equipment, other than by commercial car washes.
- (c.) Cleaning or spraying of sidewalks, driveways, paved areas, or any other outdoor surfaces.
- (d.) Non-essential washing and cleaning of any business equipment or machinery.
- (e.) The filling of swimming pools, wading pools with a fifty (50) gallon or more capacity, and/or ornamental fountains.
- (f.) Knowingly allowing defective plumbing.

SEC. 31-29 - Rationing

If notice of a water rationing emergency is given in accordance with SEC. 31-31, users, in addition to the mandatory conservation measures identified in SEC. 31-28, shall be limited to water use in accordance with a schedule established by the Board of Public Works and Safety for residential use, business use, commercial use and industrial use.

In determining an appropriate schedule or schedules for the rationing of water use, the Board of Public Works and Safety shall consider the volume of water used by the user during the corresponding month of the preceding year or, in the event that the user was not residing in or in business in or operating in the area served by the City of Fort Wayne's public water system, The Board of Public Works and Safety shall consider the average monthly volume of water used during the number of months such user was residing in, in business in, or operating in the City of Fort Wayne's public water system area.

PAGE THREE

SEC. 31-30 - Exceptions

The Board of Public Works and Safety of the City of Fort Wayne is granted the right to establish alternative conservation or rationing requirements for the following:

- (a.) Health care providers;
- (b.) The reasonable use of water to maintain adequate health and sanitary standards;
- (c.) Those industrial and agricultural activities declared to be necessary for the public health and well-being.

SEC. 31-31 - Notice

Notice of voluntary conservation measures shall be by whatever means deemed appropriate by the Board of Public Works and Safety. Said notice shall be effective upon publication.

Notice of mandatory conservation measures or rationing shall be by first-class United States mail, or by other door - to - door distribution to each current user, and by electronic and print media. Said notice shall be deemed effective at the conclusion of door - to - door distribution, or at Noon on the third (3rd) day after depositing same in the United States mail.

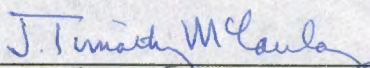

SEC. 31-32 - Enforcement

Any user who violates SEC. 31-28 or SEC. 31-29 of this Article may be punished by fine of not more than Two Thousand Five Hundred Dollars (\$2,500.00). Each day of violation shall constitute a separate offense. In addition to, or in the alternative to a fine, water service may be terminated for any user who violates SEC. 31-28 or SEC. 31-29 of this Ordinance.

SECTION 2. This Ordinance shall be in full force and effect from and after its passage and publication, and any and all necessary approval by the Mayor.

July, 19 88, the Common Council of the City  
of Fort Wayne, Indiana, in a Special Session did pass  
the following Bill No. G-88-07-24 (as amended) (as amended) (as amended)  
General Ordinance No. G-19-88 to-wit:

BILL NO. G-88-07-24 (AS AMENDED) (AS AMENDED) (AS AMENDED)

GENERAL ORDINANCE NO. G-19-88

AN ORDINANCE of the Common Council of  
the City of Fort Wayne, Indiana,  
amending Chapter 31 of the Municipal  
Code "Water and Watercourses", by  
adding a new Article entitled "Water  
Conservation".

WHEREAS, from time to time climatic and other  
conditions, both natural and man-made, may arise or occur  
which will cause a temporary shortage of water;

WHEREAS, such conditions may affect the City of Fort  
Wayne's public water system's ability to provide an adequate  
supply of water or to maintain adequate water pressure in the  
delivery system; and

WHEREAS, in such an event it is imperative to the well  
being of the citizens of the City of Fort Wayne that the use  
of water not essential to the health, welfare and safety of  
the City of Fort Wayne and its citizens be restricted;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF  
THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. Chapter 31 of the Municipal Code of the  
City of Fort Wayne, Indiana, is amended by adding a new  
Article III, entitled "Water Conservation", which contains the  
following language:

SEC. 31-25 - Application

The provisions of this Article shall apply to all persons,  
firms, partnerships, associations, corporations, companies  
or organizations of any kind connected to the City of Fort  
Wayne, Indiana, public water system or using water  
therefrom (hereinafter referred to as "users").

SEC. 31-26 - Declaration of Need

Upon a determination by the City of Fort Wayne's Board of  
Public Works and Safety that the City of Fort Wayne's  
public water system is in imminent danger of a shortage of  
water or is experiencing a shortage of water, the Mayor  
shall declare a water conservation emergency and establish  
the appropriate water conservation measures as set forth  
in this Article and the duration thereof.

1           SEC. 31-27 - Voluntary Conservation

2           If notice of a voluntary water conservation emergency is  
3           given in accordance with SEC. 31-31, users may be  
4           requested to reduce consumption by practicing voluntary  
5           conservation techniques. The Board of Public Works and  
6           Safety shall suggest reasonable and meaningful actions  
7           which will alleviate existing or potential water shortage.

8           SEC. 31-28 - Rationing

9           If notice of a water rationing emergency is given in  
10          accordance with SEC. 31-30, users, in addition to the  
11          mandatory conservation measures identified in shall be  
12          limited to water use in accordance with a schedule  
13          established by the Board of Public Works and Safety for  
14          residential use, business use, commercial use and industrial  
15          use.

16          In determining an appropriate schedule or schedules for the  
17          rationing of water use, the Board of Public Works and Safety  
18          shall consider the volume of water used by the user during  
19          an appropriate base period as determined by the Board of  
20          Public Works and Safety.

21          SEC. 31-29 - Exceptions

22          The Board of Public Works and Safety of the City of Fort  
23          Wayne is granted the right to establish alternative  
24          conservation or rationing requirements for the following:

- 25          (a.) Health care providers;
- 26          (b.) The reasonable use of water to maintain adequate health  
27              and sanitary standards;
- 28          (c.) Those industrial and agricultural activities declared  
29              to be necessary for the public health and well-being.

30          SEC. 31-30 - Notice

31          Notice of voluntary conservation measures shall be by  
32          whatever means deemed appropriate by the Board of Public  
33          Works and Safety. Said notice shall be effective upon  
34          publication.

35          Notice of mandatory conservation measures or rationing shall  
36          be by first-class United States mail, or by other door - to  
37          - door distribution to each current user, and by electronic  
38          and print media. Said notice shall be deemed effective at  
39          the conclusion of door - to - door distribution, or at Noon  
40          on the third (3rd) day after depositing same in the United  
41          States mail.

42          SEC. 31-31 - Enforcement

43          Any user who violates SEC. 31-28 of this Article may be  
44          punished by any or all of the following:

- 45          (a.) a fine of not more than Two Thousand Five Hundred  
46              Dollars (\$2,500.00). Each day of violation shall  
47              constitute a separate offense;
- 48          (b.) the imposition of an excess use charge as approved by  
49              the Board of Public Works and Safety, the Common  
50              Council of the City of Fort Wayne, and the Indiana  
51              Utilities Regulatory Commission;

4 the Common Council a final schedule for the imposition of  
5 excess use charges as described in Section 31-31 (b) and (c)  
6 of this ordinance.

7 SECTION 3. This Ordinance shall be in full force and  
8 effect from and after its passage and publication, and any and  
9 all necessary approval by the Mayor.

Notice is hereby given that on the 19th day of July, 1988, the Common Council of the City of Fort Wayne, Indiana, in a Special Session did pass the following Bill No. G-88-07-24 (as amended) (as amended) (as amended) General Ordinance No. G-19-88 to-wit: **BILL NO. G-88-07-24 (AS AMENDED) (AS AMENDED) (AS AMENDED)**

**GENERAL ORDINANCE NO. G-19-88**

AN ORDINANCE of the Common Council of the City of Fort Wayne, Indiana, amending Chapter 31 of the Municipal Code "Water and Watercourses", by adding a new Article entitled "Water Conservation".

WHEREAS, from the time to time climatic and other conditions, both natural and man-made, may arise or occur which will cause a temporary shortage of water;

WHEREAS, such conditions may affect the City of Fort Wayne's public water system's ability to provide an adequate supply of water or to maintain adequate water pressure in delivery system; and

WHEREAS, in such an event it is imperative to the well being of the citizens of the City of Fort Wayne that the use of water not essential to the health, welfare, and safety of the City of Fort Wayne and its citizens be restricted;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF THE FORT WAYNE, INDIANA:

SECTION 1. Chapter 31 of the Municipal Code of the new City of Fort Wayne, Indiana, is amended by adding a new Article III, entitled "Water Conservation", which contains the following language:

SEC. 31\*25 - Application

The provisions of this Article shall apply to all persons, firms, partnerships, associations, corporations, companies or organizations of any kind connected to the City of Fort Wayne, Indiana, public water system or using water therefrom (hereinafter referred to as "users").

SEC. 31-26 - Declaration of Need

Upon the determinations by the City of Fort Wayne's Board of Public Works and Safety that the City of Fort Wayne's public water system is in imminent danger of a shortage of water or is experiencing a shortage of water, the Mayor shall declare a water conservation emergency and establish the appropriate water conservation measures as set forth in this Article and the duration thereof.

SEC. 31-27 - Voluntary Conservation

If notice of a voluntary water conservation emergency is given in accordance with SEC. 31-31, users may be requested to reduce consumption by practicing voluntary conservation techniques. The Board of Public Works and Safety shall suggest reasonable and meaningful actions which will alleviate existing or potential water shortage.

SEC. 31-28 - Rationing

If notice of a water rationing emergency is given in accordance with SEC. 31-30, users, in addition to the mandatory conservation measures identified in a schedule established by the Board of Public Works and Safety for residential use, business use, commercial use and industrial use.

In determining an appropriate schedule or schedules for the rationing of water use, the Board of Public Works and Safety shall consider the volume of water used by the user during an appropriate base period as determined by the Board of Public Works and Safety.

SEC. 31-29 - Exceptions

The Board of Public Works and Safety of the City of Fort Wayne is granted the right to establish alternative

following:

(a.) Health care providers;

(b.) The reasonable use of water to maintain adequate health and sanitary standards;

(c.) Those industrial and agricultural activities declared to be necessary for the public health and well-being.

SEC. 31-30 - Notice

Notice of voluntary conservation measures shall be by whatever means deemed appropriate by the Board of Public Works and Safety. Said notice shall be effective upon publication.

Notice of mandatory conservation measures or rationing shall be by first-class United States mail, or by other door - to door distribution to each current user, and by electronic and print media. Said notice shall be deemed effective at the conclusion of door - to - door distribution, or at Noon on the third (3rd) day after depositing same in the United States mail.

SEC. 31-31 - Enforcement

Any user who violates SEC. 31-28 of this Article may be punished by any or all of the following:

(a.) a fine of not more than Two Thousand Five Hundred Dollars (\$2,500.00). Each day of violation shall constitute a separate offense;

(b.) the imposition of an excess use charge as approved by the Board of Public Works and Safety, the Common Council of the City of Fort Wayne, and the Indiana Utilities Regulatory Commission;

(c.) disconnection of water service with the imposition of reconnecting fee as approved by the Board of Public Works and Safety, the Common Council of the City of Fort Wayne, and the Indiana Utilities Commission.

SECTION 2. The Board of Public Works and Safety shall not later than three (3) weeks from the date of the passage of the Ordinance by the Fort Wayne Common Council, present to the Common Council a final schedule for the imposition of excess use charges as described in Section 31-31 (b) and (c) of this ordinance.
